

FOOD WARMER

EHP-1100

- Perfectly presented dishes thanks to upper and lower heating and illumination
- Ideal for delicate foods thanks to precisely adjustable temperature range from 30 - 110 °C
- Large working surface enables you to display two meals simultaneously
- High-quality stainless steel is easy to clean and durable

FOOD WARMER LAMP

- The body of the pot is made of 304 food grade material. 270w infrared Insulation lamp.
- High power heating base, One-piece design, 400w highpower heating/warming.
- Heated across water for continuous insulation. Extend the time to enjoy delicious food.
- Intelligent CNC panel, Rapid heat conduction, multi-level temperature regulation.
- Suitable for buffet hotel restaurant widely used.

► Heated across water for continuous insulation, Extend the time to enjoy delicious food.

► Intelligent CNC panel, multi-level temperature adjustment

COFFEE MACHINE

890101

- Top and bottom hotplate, indicator light.

- Fast filtering system with flow-through element

- 1.8 litres in 5 minutes.

- Continuous temperature of 93 - 96°C.

- Casing and filter holder made of stainless steel.

- 2x 1.8l decanters and 25 [90/250] filters are included.

ELECTRIC WATER BOILER / MULLED WINE HEATER

Single walled version

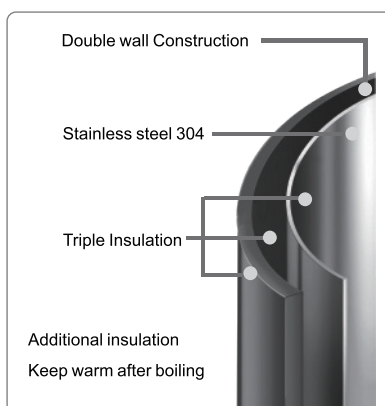

- Insulated double wall designed reduce the heat than single wall
- Ideal for mulled wine, boiling water for tea and hot drinks
- Stainless steel 304 for body, 430 for base
- Temperature control: 30-110 degree
- Automatic turn-off or turn-on temperature control
- Time to boiling: 5L-10L around 30mins, 15L-25L around 50mins
- ON/OFF switch, knob location and light indicator
- Safe locking lid and cool touch handles
- Stainless brushed
- Anti-drip tap
- Protected against boiling dry

ELECTRIC STEAM BOILER / STERILIZER

- ON/OFF switch with silicone rubber cover
- Heating and keep warm indicator light
- Automatically re-boil temperature control
- Four pieces steam outlet on the lid for safety used
- Add heat-sink window on the permanent seat, make sure the long service life and safety used
- Adjustable timer, available to continuously make steam in the boiler for 2 hours
- Twist-lock safety designed cover
- Simple steam sterilizer for the kitchen
